

LoRaWAN US902-928 - LoRaWAN AS923 - Sigfox RC4

Adeunis launches its products to conquer the North American and Asia-Pacific zones.

[MORE ABOUT THE 915 RANGE](#)

"It is thanks to the partnerships we have forged with operators and distributors in these regions"

of the world that we can already boast the success of several projects."

Frank Fischer, Adeunis CEO

Some of our partners:

FTD, Pulse, and Modbus products are now available in the following areas:
